Amdt. dated January 27, 2004
Response to Notice of Allowance October 29, 2003

PATENT

REMARKS/ARGUMENTS

I. **Amendments to the Specification**

References to Figures 2 and 4 have been amended to correspond with the figure labels on the enclosed formal drawings. These changes do not introduce new matter.

II. **Amendments to the Drawings**

A set of formal drawings is attached. The figure labels for Figures 2 and 4 have been changed to the format required by the Patent Office (e.g., Fig. 2A, 2B, 2C and Fig. 4A and 4B). The only changes to the other drawings is to put them in a form that complies with 37 C.F.R. 1.84. None of these changes introduce new matter.

Entry of this amendment is respectfully urged since it merely addresses matters of a formal nature and does not touch the merits.

Respectfully submitted,

Scott L. Ausenhus
